**Subject:** Davis Place too

HI John,

Come to think of it, the BOS has not voted ACHC the lottery monitoring agent for Davis Place either. I have spent the past month working with Davis Place on the lottery materials which have now been approved by DHCD and the marketing has begun. I will collect the \$500 fee once we are officially designated.

So I would like to have the BOS designate ACHC for both Davis and Blanchard as the Monitoring Agent for the Lottery Administration and for future resales of the affordable units in both developments.

Thanks.

Nancy
